On Twitter. Funniest response from an actual celebrity.

When James woods calls out joe Biden as a do nothing politician-- someone asks him what he has done for the last 20 years and he says

"Teabagged your mom every Wednesday !"

Addendum to Legacy GPO contract Exhibit C

In an effort to increase inventory levels, customer satisfaction and cash flow for both Safe Chain and Legacy, all Legacy members will be put on the following electronic collection schedule:

Any invoices dated Monday through Friday in the target week will be automatically EFT drafted the following Friday.

EXAMPLE:

Any member (or non member Legacy specific sales) invoices dated Monday August 24, 2020 to Friday August 28, 2020 will be EFT drafted by Safe Chain on Friday September 4, 2020.

As an incentive for this change in terms, Safe Chain will increase the overall combined discount from published WAC price to Member and rebate to LPG to total 11.25% from 11%. It is understood that the discount off of WAC will be passed on to the purchasing client and increase their WAC discount to WAC minus 7.75% from WAC minus 7.5%.

This new payment term will go into effect as of the week of August 24-28, 2020 with the EFT draft on September 4, 2020. To catch up, it is understood that the EFT draft that will occur on September 4, 2020 will be for all invoices from August 17, 2020 to August 28, 2020.
